

## **ACT & Southern NSW Country Reining Horse Association**

**On behalf of the ACT and Southern NSW Country Reining Horse Association I would like to invite you to participate in our 2007/2008 season sponsorship program.**

*The ACT & Southern NSW Country Reining Horse Association was formed as a non-profit association affiliated with the National Reining Horse Association of Australia (Reining Australia). Its charter which is open to all breeds is to promote Reining throughout the A.C.T. & Southern NSW in the form of Shows and Clinics. We run approximately 6 shows per year and numerous clinics.*

Our shows cater for all levels of Reining, from beginner to the open rider. We also run a junior Youth class for our young riders just starting out in the Reining Pen. The Sport of Reining is very much a Family sport, it is not unusual to have Mum, Dad and children all competing at the same show! We run Highpoint Awards every year which are presented at our AGM and Presentation Dinner (usually held in August). A night NOT to be missed!

### **What Is Reining?**

Reining is a western judged event designed to show the ability of a horse in the confines of a show pen (Arena) it is typically called "Western Dressage" because the rider guides the horse through a prescribed pattern while being judged on the smoothness, finesse, attitude, quickness, and authority of performing various manoeuvres. What makes it "Western" is the hard driving, sliding stops and fast spins dictated by the rider, but wilfully performed by the horse without any resistance. In NRHA competition all contestants are required to run one of ten approved patterns. All patterns include small slow circles, large fast circles, flying lead changes, roll backs over the hocks; 360degree spins in place to the left and to the right, and the hallmark of the reining horse- the sliding stop.

*The main attraction is FUN - Provide an opportunity for people and families of all ages with a common interest to interact in a spirit of friendship and good sportsmanship, and that has driven Reining to be the fastest growing sport in the industry over the last decade.*
