Clinics

Graham Cooper suggested that we hold some more 'Intro to Reining' clinics during the year. Changing the format so that it could accommodate any level of rider. He kindly donated the first clinic and would be charging \$400 per day there after. Clinics would have a limit of 10 riders and cost \$80 which offers excellent value.

Gundagai Giddyup

Janice suggested that cancelling the clubs tentative clinic / show date in March, so the club could attend the Gundagai Giddyup. This is seen as a great opportunity to promote our sport and our club. We would be looking at perhaps having a stall, running 'mini clinics', and maybe hold a reining demo prior to a feature event. Janice to follow up.
